

Lease Your Roof Space

Utilize your unused roof space for community solar projects. We can provide upfront cash payments / free roof replacement for hosting these projects.

Facts:

- Your roof and/or unused land is prime real estate to host large solar projects
- Energy produced by these projects is then sold to others that cannot install their own solar projects

Community projects generate income

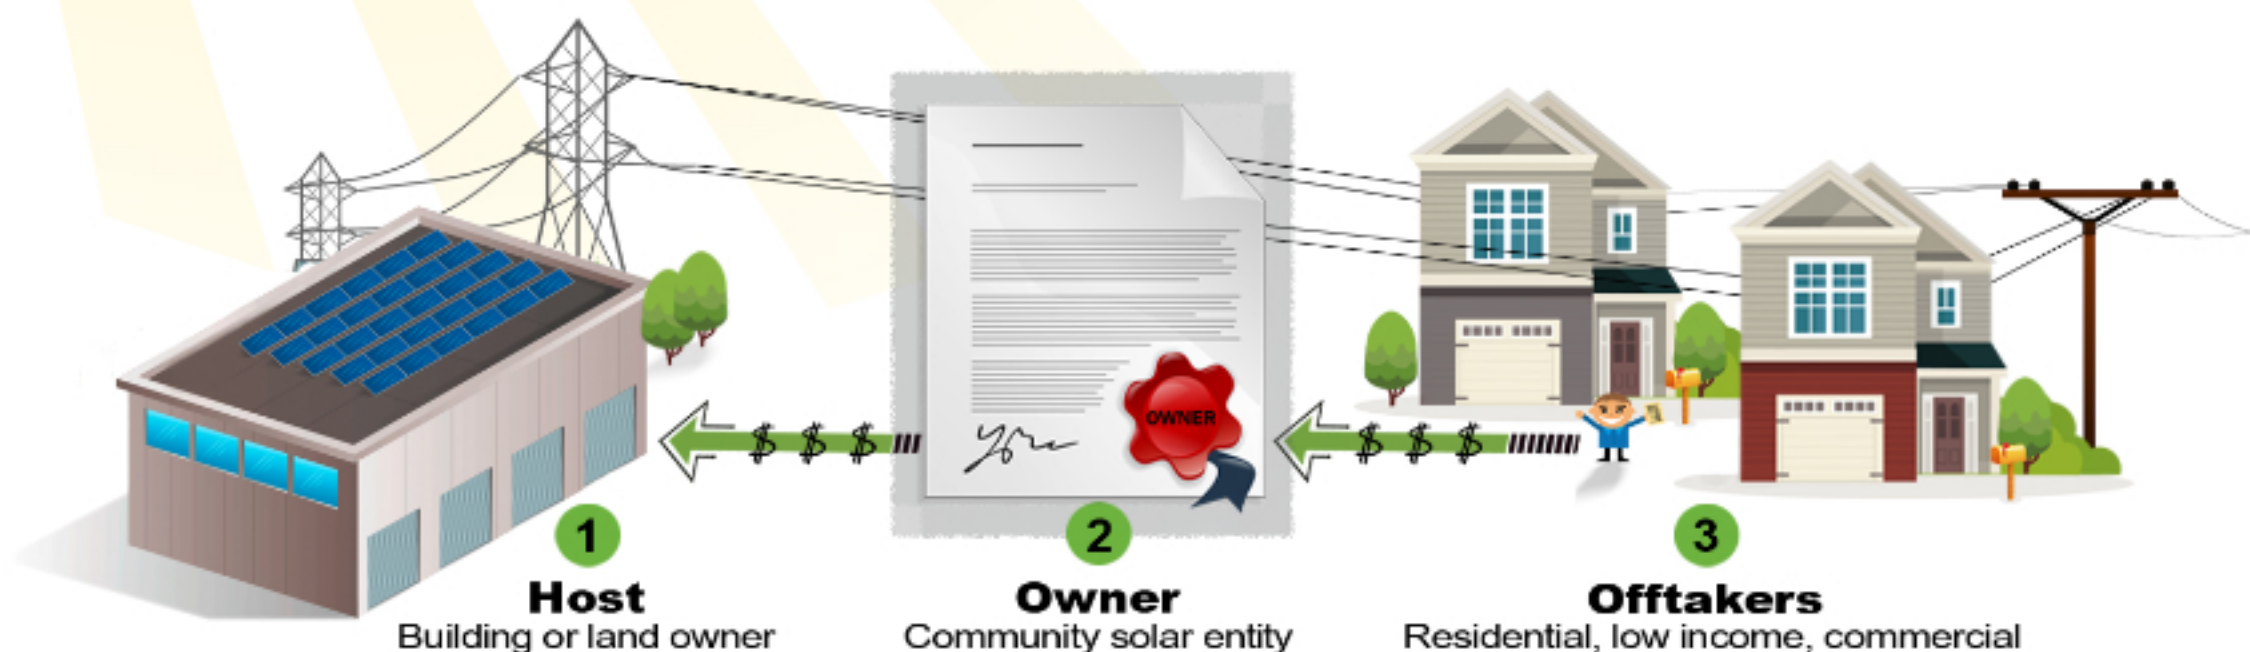

Income generated:

- produce returns for these solar plant owners who in turn provide lease payments and up-front capital to host site, which could include roof replacement.

What We Are Offering

- **Up-front cash payment** which can be used for any purpose
- **Monthly lease payments** for roof space and/or unused land
- **Zero initial capital** expenditure

Offering an innovative solar solution that can pay up to \$250,000 in **Cash** per 50,000 sq. ft. of **Roof Space**
